Dear Parents/Carers

NEU STRIKE ACTION

As you will be aware the National Education Union announced national and regional action in England. This national action is targeted directly at the government who has failed to provide a fully funded above-inflation pay rise for all teachers.

Four strike days have been announced for our region as follows:

- 1 and 28 February
- 15 and 16 March

We know that we currently we only have a relatively small number of teaching staff who are members of the NEU. With this information, we have completed a risk assessment, assessing health and safety, safeguarding and teaching and learning implications of the intended action. At present, I am confident that on 1 February, we will be able to remain open as usual for all students.

The risk assessment is reviewed on a daily basis and if circumstances change significantly before the date of the first strike I will contact you. We will review the risk assessment before each strike date and will give you timely updates as appropriate.

Yours sincerely
