Dear Parents/Carers

NEU STRIKE ACTION – 28 February 2023

As you will be aware the National Education Union announced a second regional day of strike action in Yorkshire on Tuesday 28 February. This national action is targeted directly at the government who has failed to provide a fully funded at or above-inflation pay rise for all teachers.

Union members have no obligation to inform school leaders of their intention to strike and as such it is impossible to avoid potential late amendments to our plans. However, after completing an updated risk assessment, assessing health and safety, safeguarding and teaching and learning implications of the intended action, at present, I am confident that on 28 February, we will be able to remain open as usual for all students.

The risk assessment is reviewed on a daily basis and if circumstances change significantly before this date I will contact you. We will continue to review the risk assessment before each strike date and will give you timely updates as appropriate.

Yours sincerely

D Kelly
