13 March 2026

Dear Parents/Carers

As promised earlier, I am writing to share the most up to date information that we have following a city-wide meeting this afternoon.

In the meeting, the current Red v Blue Tik-Tok trend was discussed at length, looking at all possible areas of concern. Although our school is not named as a particular area of concern, our pupils travel across the city and so we would like to share the identified locations in the city that may be of concern and would advise you to ensure that your children avoid these areas for social gatherings.

Locations of concern mentioned in the meeting are listed below. It is important to stress that this is not a prediction that there will be trouble in any or all of these areas, as the intelligence behind this information is coming through unreliable social media, however I feel it is important to share this.

Locations mentioned in social media:

Tesco Seacroft	Holt Park
Meanwood Park	City Centre
Butcher Hill shops	Soldier's Fields
Hazelwood Park	Hyde Park

We are speaking to all students this afternoon to reassure them and will have staff on duty around school.

Your sincerely

D Kelly
Headteacher
