Notes

Evidence of Catholic Baptism

If an application is being made for a place at the school for a Catholic child, evidence of Catholic baptism or reception into the Church is required. A certificate of baptism or certificate of reception into the full communion of the Catholic Church should be provided at the same time as this form is returned to the school.

The admission authority may request additional supporting evidence if the written documents that are provided do not clarify the fact that the child was baptised or received into the Catholic Church, e.g. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not. Those who have difficulty obtaining written evidence of baptism or reception into the Church should contact their Parish Priest.

Evidence of Membership of an Eastern Christian Church

If an application is being made for a place at the school for a member of an Eastern Christian Church, including Orthodox Churches, evidence of membership will be required. A certificate of baptism or reception from the authorities of that Church should be provided at the same time as this form is returned to the school.
