A message from the Headteacher

As we approach the final term of what has been another full and fruitful school year, I reflect with immense pride on the many successes we have shared as a school community.

One of this year's standout moments was receiving an Outstanding grading in our recent inspection by the Catholic Schools Inspectorate. The report beautifully captures the essence of our school as a place where Christ is truly at the heart of all we do - where faith, learning, and love flourish together, and where each individual is nurtured to become the person God calls them to be, growing in kindness, wisdom, knowledge, and holiness. I am deeply grateful to every member of our wider school community for your unwavering support, partnership, and prayers. We remain committed to our mission: growing together in faith, hope, and love.

Our Year 11 students have begun their GCSE and Level 2 examinations with characteristic dedication and determination. Alongside their academic focus, they have shown remarkable care and support for one another, reflecting the true spirit of our school. Today, we celebrated their journey with a joyful and moving Leavers' Day, including our annual Leavers' Mass attended by students, tutors, and families, followed by a special Leavers' Assembly led by Mr Warren, Head of Year 11. It was a wonderful opportunity to reflect on and celebrate our time together.

I am equally proud of our Year 10 students, who engaged thoughtfully and maturely in the application process for student leadership roles. Congratulations to our newly appointed Head Boy, Oliver, and Head Girl, Tilly. I am confident they will lead with integrity and passion, supported by our new Deputy Head Students and Senior Prefects. They follow an exceptional team, and I extend heartfelt thanks to our outgoing Head Boy, Eoin, and Head Girl, Sophie, for their humble and inspirational leadership. I look forward to seeing the new team continue to build on the strong traditions they inherit.

As this half term comes to a close, we also bid farewell to Mr Moore, who has served the school in various roles, most recently as Cover Supervisor. His impact has been especially felt through his dedication to developing girls' football. This year's outstanding achievement of six trophies is a fitting testament to his efforts. Thank you, Mr Moore, for all you have contributed to our school community.

Earlier this week, our Faith in Action students, accompanied by Mrs Davies, represented our school at St Anne's Cathedral, where they presented a cheque for £2,100 to the Good Shepherd Appeal on behalf of the school. Thank you to everyone who generously supported our Lenten fundraising efforts. I also want to express my appreciation to the staff who are giving up their time during the half-term break to accompany students on the Iceland trip, which departed this morning. When we return, many students will be involved in end-of-year assessments, work experience, the Diocesan pilgrimage to Lourdes, and a wide range of educational visits and enrichment activities—alongside their continued academic studies. I encourage all students to embrace these opportunities with enthusiasm and commitment.

This year also marks a special milestone: the 25th anniversary of our school community on this site, and the conclusion of the PFI project during which our site was managed by Bellrock. We are especially grateful to Maureen Kempton, our Facilities Manager, who also celebrates 25 years of dedicated service. Her care and commitment have helped ensure our site remains a welcoming and purposeful place of learning. As our PFI contract comes to an end, we're excited about the new opportunities this brings, including greater flexibility in areas such as catering and increased availability for community lettings across more parts of the school.

To mark this Jubilee, Bishop Marcus will celebrate our end-of-year Whole School Mass on 22 July. If you are a former staff member or have a connection to the school and would like to attend, please contact Julia Dodgson at judn@cardinalheenan.com, and we will do our best to accommodate your request.

In the meantime, I wish everyone in our school community a joyful, safe, and restful half-term break.

God bless,

Mr Kelly, Headteacher

LIVING OUR MISSION THROUGH....

CHAPLAINCY

OUTSTANDING CATHOLIC EDUCATION

We welcomed inspectors from the Catholic Schools Inspectorate into school this half term. They were in school to ensure that, as a Catholic school, we are doing everything we can to ensure the students have the very best experience and that we are fulfilling the aims of Catholic education.

Over two days the inspectors visited RE lessons, observed form time and assemblies looking at the quality of collective worship (worshipping together), spoke to many students and staff and observed the usual daily routines and life in our school. Thank you to anyone who supported the process in any way, especially if you completed the parental survey. The inspection team based its judgment on 3 key areas of school life; Catholic Life and Mission; Religious Education; Collective Worship.

CATHOLIC LIFE AND MISSION

Every time a member of our school community meets with another there is an encounter; how we encounter people, how we listen, speak to them, how we act, how our mission statement is lived out by all members of our school community. These are ways in which the Catholic Life and Mission of our school are demonstrated and could be seen by the inspectors. Within this area the inspectors looked at what our students do to put their faith and our mission statement into action. They reported that “the school’s mission statement is fully understood by all members of the school community”.

Our students were excellent ambassadors for our school throughout the visit and the behaviour and attitudes they displayed were exemplary, as always. The report notes that our students “understand that they are unique and made in the image of God” and that they appreciate that “staff are helping them to follow Christ’s example and value this highly.”

By spending time in forms, speaking to groups of students and even accompanying some of our Common Good Influencers on one of their weekly lunch-time visits to Brandon House, they noted that pupils understand the way in which our school virtues are linked to our mission statement and are “aware of the impact of the school mission and its values on their everyday lives both in and out of the classroom.”

RELIGIOUS EDUCATION

Over two days, the inspection team visited many RE lessons across all year groups and held discussions with members of the RE team as well as students from KS3 & KS4. During these lesson visits, they saw and experienced the various ways the curriculum in KS3 and KS4 engaged our students and noted that “behaviour and attitudes in the classroom are outstanding”. They remarked that relationships between staff and students were “strong” and that all members of the team displayed “comprehensive subject knowledge.”

The inspection team looked at a range of student work including exercise books, creative artwork around the school and the work produced in class. They saw discussion works and strong starts to lessons and were particularly impressed by the work students do independently, commenting “Independent learning is a strength of the department. Students take pride in all that they do”. Inspectors also commented on our “expertly crafted” RE curriculum which meets the needs of individual students and “engages and inspires” all students to be the person that God calls them to be.

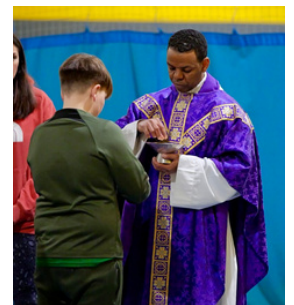

COLLECTIVE WORSHIP

Collective worship is any time when members of our school community come together to praise and worship God. At Cardinal Heenan this takes place every morning in tutor time, in assemblies, Masses, liturgies, services, RE lessons and throughout the liturgical year. A number of these were witnessed during the visit including collective worship during form time across several years groups and an especially moving student-led Rosary in the Chapel. The report noted that the Chapel is “at the heart of the school.”

The inspection team spoke to several members of staff including Governors and looked at the ways in which, as a school, we provide support to all members of the school staff. They said “Leaders, including Governors, ensure that ample time and resourcing are dedicated to celebration of the word at Cardinal Heenan. This is because all leaders care deeply about the spiritual formation of all members of the community”.

Another key element of collective worship events in our school is the opportunity to reflect and discuss the importance and meaning of the liturgy, action or service, and evaluate these through student forums. Inspectors praised the fact that students feel that they have a voice in planning and delivering collective worship in school and can “clearly articulate how their input is used to shape prayer and liturgy”.

As Mr Kelly noted in his letter to parents, this outcome belongs to all members of our school community - staff, Governors, students, primary feeder schools, Parishes and you, the primary educators of children, their parents and carers. Your ongoing support, prayers, and partnership in our mission have played a vital role in this success, and we thank you sincerely.

As we celebrate this milestone, we remain deeply committed to continuous improvement and to offering your children a truly excellent and faith-filled education, inspiring excellence in every individual and encouraging everyone in our community to be kind, follow the rules and try your best.

The full report can be viewed here view by following [this link](#).

LIVING OUR MISSION THROUGH....

PRAYING TOGETHER

PRAYERS FOR POPE FRANCIS

As a school community, we reflected with sorrow and gratitude on the passing of Pope Francis, much-loved head of the Catholic Church. Pope Francis dedicated his life to making the love of Christ known to all and we give thanks for the example of his humble service and dedication to Catholic Social Teaching.

Eternal rest grant unto him, O Lord, and let Your perpetual light shine upon him.
May his soul and the souls of all the faithful departed rest in peace.

Amen

FAITH IN ACTION GROUP

Alongside their regular visits to Penny Fields School and their weekly meetings to plan collective worship and other events in school, the Faith in Action group spent some time getting to know each other better by playing some of the ice breaker parachute games which form part of the programme of events on our Ethos Days and retreats. This gave them a fantastic opportunity to relax and have some fun as a group, while also learning more about members of the group.

COLLECTIVE WORSHIP

This half term, collective worship has been planned by Year 9 students who offered their prayers to support our Year 11 students through their examinations; 7EMY, who prayed for peace in our troubled world; and the Faith in Action group, who inspired us to find hope in God's message. The faith in Action group also planned our Collective Worship giving thanks for the life of Pope Francis and the example of service he left us, and our hopes and prayers for Pope Leo as he begins his new role. Throughout the month of May, we also offered our prayers up to honour Our Lady and asked her to intercede for us.

LIVING OUR MISSION THROUGH....

PRAYING TOGETHER

YEAR 11 LEAVERS MASS

Our Year 11 leavers, along with their families, came together to celebrate their final mass as Cardinal Heenan pupils. The head students have led the preparations, choosing hymns and readings which reflect them as individuals and as a year group. The mass is a special opportunity for pupils and their families to give thanks for the experiences they have shared at Cardinal Heenan and to consider their hopes for the future. They take with them a reminder of our faith community and the knowledge that we will pray for them and all other "past members of this school community" every time we say our school prayer.

After the mass, they enjoyed a celebration of their time at Cardinal Heenan before heading outside for an ice cream and to sign their shirts or other mementos.

Good luck to the class of 2025!

PRAYER INTENTIONS

Whenever Mass is celebrated in school we pray for the intentions of all members of our school community. If you would like us to pray for a particular intention (a person, a cause or something else) please fill the details out by clicking this link or using the QR code opposite: <https://forms.office.com/e/T9rcvTJfg4>

GOOD SHEPHERD CELEBRATION

We were invited to the Good Shepherd celebration mass this week. The Good Shepherd celebration is a highlight of the charity's year, and Bishop Marcus shared a special mass to celebrate the schools and community groups who raised money for the Good Shepherd Appeal. The theme for the Appeal was Jubilee 2025 – Pilgrims of Hope. As a school, we raised £1200 this year.

Year 7 students Nuala, Chimi and Cara attended to represent our school community as Year 7 were the year group to raise the most money this year and all three have contributed in different ways to Catholic Life and Collective Worship throughout the school year.

LIVING OUR MISSION THROUGH....

PREPARING FOR OUR FUTURE

BETTY'S AND TAYLORS OF HARROGATE

Year 9 students visited the Betty's and Taylors of Harrogate production site to learn more about careers in catering and food production. They developed employability skills and learned about the diverse range of careers from product design to marketing and production. They met staff in a variety of roles within the organisation and had a tour of the production areas where they learned more about the processes involved in designing and creating a wide range of food and beverages as well as the range of roles available in the hospitality sector. Conversations with staff gave students the chance to ask specific questions about working in a range of roles within the hospitality sector.

YEAR 10 NEXT STEPS EVENING

It was lovely to see so many Year 10 students and their families at their Next Steps evening last week. Throughout the evening, students were guided through the variety of pathways available to them when they leave Cardinal Heenan.

We were lucky to be joined by Wendy, our independent careers advisor, who was able to speak to students and their families about the support available in school. Wendy is available in school for students who wish to talk through their options. See Mr Gaffey to arrange this.

Mr Kelly introduced students to the range of pathways to them when they leave Cardinal Heenan. Ms Stockton-Pitt and Ms Thomas also talked to students about active revision techniques and provided practical ways to use the principles of cognitive science to support and enhance their revision. As well as advice on effective revision techniques, students were given a range of strategies to support wellbeing during exams.

Students received their mock exam timetables; a suggested revision timetable and any revision guides they had pre-ordered to support their revision. School staff also shared a timeline of events leading up to their examinations in Year 11. These messages have been echoed in Year 10 tutor groups this week. Thank you to the students and their families for their engagement and enthusiasm throughout the evening.

LIVING OUR MISSION THROUGH....

BUILDING ON OUR BEST TRADITIONS

STUDENT LEADERS

Following a rigorous recruitment process, we have appointed our new team of Head Students for the next academic year.

We are delighted to announce that our new Head Students are:

Head Boy: Oliver 10LJS (Immaculate Heart of Mary)

Head Girl: Tilly 10JHT (St. Urban's)

Deputy Head Student: Jacob 10EHL (Holy Name)

Deputy Head Student: Shalom 10CFN (Holy Rosary and St. Anne's)

Deputy Head Student: Gracie 10JHT (St. Urban's)

The students, along with the new team of prefects and senior prefects, will begin their duties after half term. Senior students will carry out regular duties on the lower and upper school playgrounds supporting their peers and giving them the opportunity to share their views. They will also have specific responsibilities related to all aspects of school life.

We wish them luck in their new roles and would also like to thank our outgoing Head Students (Sophie, Eoin, Ciara, Joe and Diana) for all the fantastic work that they did this year and for being such outstanding role models.

As the recent inspection report states: "The pastoral care offered by older students to those younger than themselves is exemplary". We are sure that our new senior students will build on the best traditions they have inherited and follow the example of servant leadership offered by our outgoing head students. Good luck in your new roles!

LIVING OUR MISSION THROUGH....

HONOURING THE PAST

BATTLEFIELDS

A group of 40 Year 9 pupils and travelled to the Battlefields of France and Belgium in May to visit the battlefields and memorials to those who gave their lives during the First World War. They travelled on the overnight ferry from Hull to Rotterdam, where they enjoyed some live music and a chance to enjoy a meal together and catch up with their friends before travelling on to their accommodation in Ypres.

This trip is a special pilgrimage offering pupils the opportunity to show their respects to those who lost their lives in the First World War and to gain further understanding of the events of the First World War and how "We Will Remember Them".

Where possible, students are offered the chance to visit memorials of family members around the area and this is always a special moment for staff and students to be able to reflect on the sacrifices made by their relatives. A small group of students also represented our school community in laying a wreath at the Menin Gate during the Last Post ceremony.

LIVING OUR MISSION THROUGH....

COMMUNITY ACTION

COMMON GOOD INFLUENCERS

Our Common Good Influencers hosted an Easter Afternoon Tea in conjunction with Leeds Irish Health and Homes, inviting residents from Brandon House as well as LIHH service users. Students served food and drinks to our guests and we enjoyed music from Mick Teggart and singers from St Paul's Primary School.

Eibhlin and Alana entertained our visitors with Irish dancing and everyone enjoyed an Easter bonnet competition.

A group of 11 students visited Brandon House to celebrate the 80th anniversary of VE Day. Pupils spoke to residents about their memories and Eibhlin and Alana also performed an Irish dance for residents.

The Faith in Action group will be taking over our regular Tuesday lunchtime visits to Penny Fields, playing games, joining in with Sing and Sign and chatting to pupils. Following the success of our clothing collection for Horsforth Town of Sanctuary, we will be collecting men's clothes for newly arrived refugees on a termly basis. Please send any suitable donations into school.

LIVING OUR MISSION THROUGH....

EXPLORING SUBJECTS IN GREATER DEPTH

LEEDS BOOK AWARDS

A group of Year 7 students attended the Leeds Book Awards ceremony in May. The day consisted of a panel event in Leeds Central Library, where students had the chance to ask the shortlisted authors and illustrators questions about their books or about the writing process. This was followed by the ceremony at Leeds City Museum. This was hosted by Testament, a local writer, rapper and Guinness world record breaking human beatboxer. After the ceremony, pupils were able to speak to the shortlisted authors and get copies of the shortlisted titles signed.

POLITICS MATTERS

A group of 16 Year 10 students travelled to Leeds Beckett University to participate in the Politics Matters challenge. They took part in a campus tour, learned about studying politics at Leeds Beckett and took part in a social media election challenge. One of our teams won the challenge. Well done to everyone involved.

UKMT JUNIOR MATHS CHALLENGE

This term, our Year 8 students in Miss Russell's and Ms Millington's class put their Mathematical skills to the test in the UK Maths Trust Junior Maths challenge. Designed to challenge and inspire young mathematicians across the country, the competition features a series of problem-solving questions that push students to think logically, creatively and strategically. Our Year 8 students worked very hard, tackling tricky puzzles and applying their mathematical reasoning under timed conditions.

62.5% of our students that took part received an award, where UKMT only award the top 50% of competitors.

Congratulations to the 23 students who received Bronze, the 15 students who received Silver, and to Daniel and Elma who received Gold certificates - a fantastic achievement. Well done to all students who participated!

LIVING OUR MISSION THROUGH....

LIVING THE VIRTUES

Our virtue in focus for this half term is HOPE.

Definition:

You know that when life gets hard, you don't give up but carry on hoping that things will get better. You dream of a better world or something better that will come in the future. You live for something greater than yourself. Your hope drives out selfishness and boredom and encourages you to engage with your community and do good works. You trust that God is at work moving the world towards what is good.

The winners of the tutor group virtues prizes for this half term are:

Year 7	Year 8	Year 9	Year 10	Year 11
Max	Amelia	Kobe	Gracie	Julia
Alicia	Dylan	Zelinna	Alek	Ciara
Ethan	Ralph	Tom	Isobel	Queendaline
Lily	Isabella	Yakob	Rosie-Jo	Ruby
Marc	Kit	Nathan	Emeka	Cara
Rachel	Niamh	Edward	Cameron	Farrell
Brendan	Sam	Samuel	Asiri	Sophie

Students develop and demonstrate hope through their work with the Common Good Influencers, working within our local community to make a big difference through a collection of small actions. They pray to God when they are in need of support and follow Christ's example of humility and service, using their gifts for the good of our community. During the examination period, our Year 11 students turn to God for guidance and demonstrate that they are created in God's own image as they support their friends and family through difficult times.

**THOSE WHO HOPE IN THE LORD WILL RENEW THEIR STRENGTH.
THEY WILL SOAR ON WINGS LIKE EAGLES; THEY WILL RUN AND
NOT GROW WEARY, THEY WILL WALK AND NOT BE FAINT.**

ISAIAH 40:31

LIVING OUR MISSION THROUGH....

PARTICIPATION IN SPORT

GIRLS FOOTBALL

Our girls' football teams signed off on this season with an impressive 6 trophies from 7 competitions.

The U12 team won their Leeds Cup final 4-1 against Ilkley with goals from Georgia (hat-trick) and Olivia. There was a particularly special moment after this game as the girls were presented with their medals and trophy by Rhys Chadwick and Louie Dudley, both former students who are now playing for Leeds United's academy. Both boys have younger sisters playing in the team.

The U12s followed this up a week later, winning the Merit Table final against Ilkley 5-1 with goals from Sophia (2), Georgia (2) and Olivia. Well done to all teams for their commitment throughout the season.

The U14 team fought back from 2-0 down against Horsforth in the Merit Table final to draw 2-2, with two goals from Jane taking the game to penalties, before agonisingly losing the shoot out 4-3 in sudden death.

The team bounced back a week later with a win in the Leeds Cup final against Horsforth. This was another nail-biting game - this time a 7 goal thriller with our girls emerging 4-3 winners with goals from Jane (hat-trick) and Amelia. Well done to the team for a magnificent season!

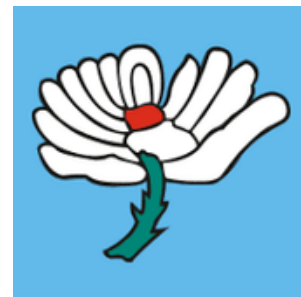

BOYS FOOTBALL

Our boys football teams across all year groups have reached the semi finals of their age group's Leeds Cup or Merit Table competition this year. The Year 9 boys got as far as the final of the Leeds Cup, losing out on penalties in the Festival of Football event against Boston Spa following goals from Will and Max. Well done for reaching the final - a tremendous achievement.

CRICKET

Our Year 7 and 8 girls and boys cricket teams took part in Yorkshire County Cricket's Leeds Schools tournament hosted by Hunslet Nelson Cricket Club. The boys won two of their four games. Many of the team hadn't played cricket before but represented our school incredibly well, showing commitment and resilience.

DUKE OF EDINBURGH

Our Year 9 Bronze Duke of Edinburgh Award participants are continuing their preparations for their expedition next month. This half term they have planned a menu for the expedition, learnt about risk assessment and basic first aid in an emergency, practised navigation and map reading around our local area and had a go at pitching a tent on school grounds. They have also learnt more about cooking with a Trangia gas stove, how to pack a rucksack to ensure that they have everything they need for the expedition without carrying too much and caring for their tent and other camping equipment to ensure that it is ready to use when they need it.

As well as preparing for the expedition section, students are continuing to work towards the physical, skill and volunteering sections of the award with pupils involved in a huge range of activities, from working with youth groups in their parishes to running sports clubs in school and learning to cook healthy and nutritious meals for their families and friends.

ATHLETICS

Making the most of the warmer weather, members of the cross country running club have spent the summer season working on their track running. Each week, they work on a particular aspect of running fitness, using a variety of training techniques including interval training and hill work. They often choose to end sessions with a 100m sprint.

They put their hard work in training into practice this week at the first Leeds Athletics League meeting at Leeds Beckett University. Year 9 student Max finished second in the 400m event, competing against Year 10 boys. Our 4x 100m relay team of Ethan, Harry, Will and Max finished third in their event and Year 8 Grace finished third in the 800m.

Results for the field events will be confirmed in the next newsletter. Well done to everyone involved!

INDIVIDUAL SPORTING SUCCESS

- Year 9 students Jacob and Manus represented Leeds Schools FA Under 14s in the Yorkshire Cup Final at Millmoor Stadium losing 1-0 to league champions Rotherham.
- Year 8 student Markluy represented the Leeds Schools FA U13's in the Yorkshire Cup Final at Millmoor Stadium, where they beat an impressive Rotherham team 1-0.
- Year 7 student Gerard reached the final of the Play on the Pitch tournament at Elland Road. Teams had the chance to come through the Elland Road tunnel to the sound of Leeds United's anthem, Marching On Together, before playing on the pitch.
- Year 7 Chloe has completed a 10 week training programme with MCC to build her cricket skills.
- Year 7 Orlaith participated in the Cheshire Irish Dancing Championship at St Helen's.

We are always delighted to hear about our students' sporting successes outside of school. If you have any sports news stories about current or former pupils, please email them to newsletter@cardinalheenan.com and we will share them with our school community.

LIVING OUR MISSION THROUGH....

CONVERSATIONS WITH OUR COMMUNITY

AN INTERVIEW WITH MR GAFFEY

Our interview this half term is with Mr Gaffey, who has worked in a number of roles in school and is currently our Careers Guidance Co-ordinator.

How long have you worked at CHCHS?

22 years! Obviously before that I was here as a pupil - I left in 1997 then came back not long after as a member of staff.

Can you tell us a bit about your role

I started as a TA and have had lots of jobs since. I worked with off-site provision for a while and am now in charge of careers and off-site provision and am part of the pastoral team. I have lots of other jobs in School - minibus driver, first aider, football coach....

What's your favourite thing about your job?

The flexibility of doing different things every day - not knowing what the day will look like. One day I might be on a careers trip and the next on a home visit or at an off-site provision. I just love working with the students.

As an ex student, what would you say to our current pupils?

There's nowhere better! I came here as a pupil, have worked here for many years and now my own children are here. There are so many extra curricular activities on offer. If you try your best to get involved, there's loads you can do.

What do you do when you're not in school?

Anything sport related! Helping out with grassroots football, running. I try and run at least one marathon a year!. When I have any time to myself, you'll find me watching or playing any kind of sport.

Thank you for giving up your time to speak to us.

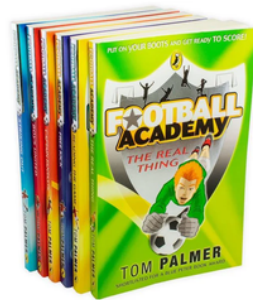

LIVING OUR MISSION THROUGH....

STAFF AND STUDENT WELLBEING

BOOK RECOMMENDATION - NATHAN (YEAR 8)

Nathan recommends the Football Academy series by Tom Palmer. He says "I chose these books because I wanted to try something different and I like football so the bright covers drew me in". His favourite character was Jake, who stars in 'Boys United' - a book which hooked Nathan in with action from the very first page. You can find this series, as well as other novels by Tom Palmer, in the school library.

CELEBRATING DIVERSITY RECIPE BOOK

We are still welcoming submissions to our recipe book filled with traditional recipes from our school community. If you would like to submit a recipe, please complete this Microsoft Form with details or scan the QR code for more information - <https://forms.office.com/e/a3HqszXN1C>

PASTORAL UPDATE

As we begin to look ahead to next year, there will be some changes within our pastoral team. Mrs Hayden and Mrs Marshall will be commencing their transition work and beginning the huge job of preparing next year's Year 7 cohort starting at Cardinal Heenan in September. Mr Warren, our current Head of Year 11, will be moving down to pick up our current year 7s and will then stay as their Head of Year in September. This means that after half-term the year teams will be as follows:

Year 7 - Head of Year: Mr Warren, Assistant Head of Year: Mrs Hansbro

Year 8 - Head of Year: Mr Edney, Assistant Head of Year: Mrs Adamson

Year 9 - Head of Year: Mrs Stainton, Assistant Head of Year: Mrs Brumskill

Year 10 - Head of Year: Mrs Millington, Assistant Head of Year: Mrs Forbes

As a pastoral team, we are hugely proud of all our students and we will continue to provide the "exceptional pastoral support" commented on in our recent CSI inspection, as well as continuing to support our students to maintain their "outstanding" behaviour and attitudes to learning.

KEEP IN TOUCH

We love hearing good news stories from our former staff and students. If you have any news stories related to current or past members of our school community, please send them to newsletter@cardinalheenan.com.

UPCOMING DATES:

Monday 2 - Wednesday 18 June - GCSEs Exams Continue
Tuesday 3 June - Year 10 Hornsea Trip
Saturday 7 - Sunday 8 June - Duke of Edinburgh Expedition
Wednesday 18 June - Sports Quiz & Awards Evening
Thursday 19 June - Year 7 Science Fair / Year 11 Prom
Tuesday 1 July - Year 8 Malham Trip Band 1
Friday 4 July - Year 8 Malham Trip Band 2
Tuesday 8 July - Year 6 Transition Day
Wednesday 9 July - Year 6 Information Evening
Thursday 10 July - Year 8 Mop-up HPV Vaccinations
Monday 14 July - Tuesday 22 July - Year 10 Work Experience
Tuesday 15 July - Sports Day
Tuesday 22 July - Last Day of Term (early finish for students)
